

The Trench Cutter

For cutting down 300-350mm piles in a trench of only 600mm wide.

600mm

▲ Cropper fits in 600mm trench.

The Trench Cutter gives our customers the option of cutting down their 300-350mm piles in a Trench of only 600mm.

It has been successfully used in the housing industry when house footings have to be kept TO A MINIMUM.

Does exactly what it says!! Cuts 300mm piles in a 600mm Trench.

See specification sheet for more information.

HAND AND ARM VIBRATION RESULTING IN EXPENSIVE COMPENSATION CLAIMS - WHY RISK IT?

"HSE estimates that there are around 36,000 people with the advanced stages of **VIBRATION WHITE FINGER (VWF)**, which is the most well known form of hand-arm vibration syndrome".

Taken from the HSE website: www.hse.gov.uk/pubns/indg175.pdf
(Publication - Advice for employers 16/07/01)

As an employer can you afford to continue cutting down concrete piles by hand?
